Subscription monies delivered by an investor to the Fund prior to the relevant Dealing Day are required to be sent by bank transfer to the account details in the Application Form. Provided that all documentation required by the Fund and the Administrator for anti-money laundering and customer identification purposes has been received, subscriptions will be processed and Shares in the Fund issued on the relevant Dealing Day. Subscriptions will not be processed and Shares will not issue until all anti-money laundering documentation has been received and cleared funds have been received. Accordingly, subscription monies received prior to the Dealing Day will not be subject to the Investor Money Regulations 2015 or any equivalent client asset protection regime and shall not form part of the assets of the Fund/relevant Sub-Fund until transferred to the Fund/Sub-Fund's account. Accordingly, Investors should note that prior to transfer to the Fund/Sub-Fund account, Investors may be exposed to the creditworthiness of the relevant credit institution where subscription monies are held and neither the Directors nor the Fund shall have any fiduciary duties to the investor in respect of such monies.

In the event of the failure or a delay on the part of the investor in the settlement of subscription proceeds owed to the Fund, the Fund reserves the right to charge the relevant Shareholder for any interest or other costs incurred by the Fund arising from such delay or failure to settle subscription monies on time including any costs associated with temporary borrowing. If the Shareholder fails to reimburse the Fund for those charges, the Fund will have the right to sell all or part of the investor's holdings of Shares in the Fund in order to meet those charges and/or to pursue that Shareholder for such charges. Further, the Fund reserves the right to reverse any allotment of Shares in the event of a failure by an applicant to settle the subscription monies on a timely basis. In such circumstances, the Fund shall compulsorily redeem any Shares issued and the Shareholder shall be liable for any loss suffered by the Company in the event of any shortfall arising from the redemption proceeds.

Any failure to supply the Fund or the Administrator with any documentation requested by them for anti-money laundering or client identification purposes will result in a delay in the settlement of redemption proceeds. In such circumstances, the Administrator will process any redemption request received by a Shareholder. Upon redemption, the Shares of the redeemed Shareholder will be cancelled and the Shareholder will be treated as an unsecured creditor of the Fund. However the proceeds of that redemption shall remain an asset of the Fund and the redeeming investor will rank as an unsecured creditor of the Fund until such time as the Administrator is satisfied that its anti-money-laundering and anti-fraud procedures have been fully complied with, following which redemption proceeds will be released. In the event of the insolvency of the Fund before such monies are transferred from the Fund's account to the redeeming investor, there is no guarantee that the Fund will have sufficient funds to pay its unsecured creditors in full. Investors who are due redemption proceeds, which are held in the Fund's account, will rank equally with other unsecured creditors of the relevant Fund and will be entitled to pro-rata share of any monies made available to all unsecured creditors by the insolvency practitioner.

Accordingly, Shareholders and investors should ensure that all documentation required by the Fund or administrator to comply with anti-money laundering and anti-fraud procedures are submitted promptly to the Fund/Administrator when subscribing for Shares.

Any failure to supply the Fund or the Administrator with any documentation requested by them for anti-money laundering or client identification purposes, as described above, will result in a delay in the settlement of dividend payments. In such circumstances, any sums payable by way of dividend to Shareholders shall remain an asset of the Fund until such time as the Administrator is satisfied that its anti-money-laundering and client identification purposes have been fully complied with, following which such dividend will be paid. In the event of the insolvency of the Fund before such monies are transferred to the Shareholder there is no guarantee that the Fund will have sufficient funds to pay its unsecured creditors in full. Investors who are due dividend proceeds, which are held in the Fund's account, will rank equally with other unsecured creditors of the Fund and will be entitled to pro-rata share of any monies made available to all unsecured creditors by the insolvency practitioner.

The subscriber hereby confirms that subscription monies delivered by him/her to the Fund prior to the relevant Dealing Day, are not to be held on trust for the subscriber by the Fund. The subscriber accordingly acknowledges that such monies shall not be subject to the Investor Money Regulations 2015 or to any equivalent client asset protection account and that the subscribers may be exposed to the creditworthiness of the relevant credit institution where such subscription monies are held. The subscriber hereby acknowledges and agrees that in such circumstances neither the Fund, the Administrator nor the Depositary shall have any liability or responsibility for any loss of such monies prior to the transfer of such monies to the Fund's account. The subscriber hereby acknowledges that in accordance with applicable anti money laundering and terrorist financing requirements (the "AML Requirements), redemption monies or dividend payments shall not be paid on un-verified accounts. In the event that the subscriber fails to submit the necessary documentation requested by the Fund or its delegate as required under the AML Requirements, redemption monies or dividend monies will be held in the Fund/relevant Sub-Fund's account and shall remain an asset of the Fund/ relevant Sub-Fund and the subscriber will not benefit from the application of any investor money protection rules (i.e. the redemption monies/dividend monies will not be held on trust for me/us). In such circumstances, the subscriber acknowledges that it/they will be unsecured creditors of the Fund/relevant Sub-Fund in respect of such redemption monies or dividend payments until such time as the relevant documentation required by the Fund has been received to its satisfaction and the redemption monies/dividend payments have been paid to the subscriber.

In the event that Shares are allotted/issued notwithstanding that cleared funds have not been received within the usual time limits by the Fund as set out in the Prospectus, the subscriber acknowledges that the Fund may cancel the allotment/issue of my/our Shares and I/we will be liable to pay to the Fund interest at such rate as may be determined by the Directors from time to time and/or other losses, charges or expenses suffered or incurred by the Fund, the Depositary or their delegates as a result of late payment or non-payment by me/us of subscription monies.

Section 9 – Data Protection – Customer Information Notice

The Common Reporting Standard (CRS), formally referred to as the Standard for Automatic Exchange of Financial Account Information, is an information standard for the automatic exchange of Information (AEOI), developed in the context of the Organisation for Economic Co-Operation and Development (OECD).

The standard requires that Financial Institutions in participating jurisdictions gather certain information from account holders (and, in particular situations, also collect information in relation to relevant Controlling Persons of such account holders).

Under CRS account holder information (and, in particular situations, information in relation to relevant Controlling Persons of such account holders) is to be reported to the relevant tax authority where the account is held, which, if a different country to that in which the account holder resides, will be shared with the relevant tax authority of the account holder’s resident country, if that is a CRS-participating country.

Information that may be reported includes name, address, date of birth, place of birth, account balance, any payments including redemption and dividend/interest payments, Tax Residency(ices) and TIN(s).

Further information is available on the OECD website: <http://oecd.org/tax/automatic-exchange/> and on the Irish Revenue website – <http://www.revenue.ie/en/business/aeoi/>.
